Engineering Technician or Trainee (Field)

Location: Maui
Job ID: 2025-03
Area of Interest: Engineering, Laboratory Testing, and/or Construction Materials
Job Type: Full Time
Education (Minimum): High School Diploma or GED
Posted Date: April 2, 2025
Experience (Years): Minimum 6 months

Geolabs is currently offering a great opportunity for a responsible, dedicated individual to join our operations as an Engineering Technician. We are willing to train a qualified applicant.

Job Responsibilities:

Assignments will include, but are not limited to the following:

- Perform daily field tests of different soil types.
- Prepare and submit data and observations in the forms of digital reports to reflect results of daily field work.
- Communicate with Project Engineers and others as applicable regarding construction site, project requirements, and testing; observations and inspection requirements and results.
- Perform laboratory tests on soils, aggregates, concrete and other materials according to standard specifications.

Job Requirements:

- A working knowledge of Microsoft Office programs (Word, Excel, Outlook, etc.)
- Able to work overtime hours (including evenings and weekends).
- Valid driver's license and acceptable violation history

The successful candidate will have strong organizational skills; possess problem solving abilities and keen mathematical and analytical aptitude. The ability to work in a fast-paced, team environment while maintaining strict quality standards.

Physical Demand:

- Regularly required to stand, observe, walk and talk or hear, use hands and arms to push and pull. Lift and/or move at least 50 pounds and have peripheral vision.

Submit resume to: employment@geolabs.net
